Bulletin 1

January 2023

Welcome

We invite you to participate in the **38th FAI World Gliding Championships** for the Open, 18m, and 20m Multi-seat classes in Uvalde, Texas, USA, during the summer of 2024. Having held two previous World Gliding Championships in Uvalde (1991 and 2012), we are working to make all necessary arrangements for a safe, enjoyable, and competitive championship.

Additionally, we invite you to participate in **UvaldeGlide 2023**. This contest will allow pilots to compete in the Open Class and 20-meter Multi-seat class. **UvaldeGlide 2023** will be held concurrently with the United States 18m National Championships this coming August.

Please provide your country's level of interest in participating in **UvaldeGlide 2023** and **WGC 2024**.

- Please pass along 2024 Team Captain contact data when available
- How many pilots and in what classes do you intend to field in both **UvaldeGlide 2023** and in **WGC 2024**?

Details for registration for **UvaldeGlide 2023** thru the SSA website will be available soon on our website wgc2024uvalde.com.
